

Acetone

High-Purity Solvents & Chemicals | Pharmaceutical Grade Solvents

1. Specification scope

Product	Acetone
CAS number	-
Grade scope	Food Grade / USP Grade
Document status	Reference specification summary

The values below are representative catalog specifications. Where several grades are listed, acceptance limits may differ by grade. The current controlled grade-specific specification agreed at quotation or qualification is the governing document.

2. Test requirements

Test item	Specification / reference value	Test method
Grade/Performance	Pharmaceutical or industrial grade available, pharmacopeia-compliant, low residue	Specification
Product Scope	Pharmaceutical or industrial grade	Catalog
Available Packaging	25L, 200L	Catalog
Documentation	CoA/SDS/TDS available on request	Document control

3. Packaging and release documentation

Package size	Container / format	Supply status
25L	Compatible container selected by product and grade	Available on request
200L	Compatible container selected by product and grade	Available on request

Each released batch is supported by a batch-specific Certificate of Analysis. Packaging sizes are consolidated in this document; actual availability, closure system and minimum order quantity are confirmed with the quotation.

4. Document control notice

This downloadable file is a reference summary generated from the LANCHROM product catalog. Request the current approved specification, SDS and sample COA before method validation, supplier qualification, regulatory submission or purchase release.
